to consider whether Plaintiffs' materials should be sealed.

Pursuant to Civil Local Rules 7-11 and 79-5(f), Defendants submit this administrative motion

Defendants seek to file under seal the following portions of their Supplemental Motion for Leave to Submit Additional Authority in Support of Defendants' Opposition to Class Certification:

- Text at 1:21-22
- Text at 3:8
- Text at 3:10

The excerpts of the Motion cited above refer to or cite the transcript of the September 1, 2023 deposition of Plaintiffs' expert, Daniel A. Rascher. That transcript was filed under seal at ECF No. 321-3, and is currently subject to Defendants' Administrative Motion to Consider Whether Plaintiffs' Materials Should be Temporarily Sealed, ECF No. 321. As Defendants noted in that Administrative Motion, pursuant to the Court's Order Granting an Amended Deposition Protocol, see ECF No. 224, the Parties may submit proposed confidentiality designations for that deposition transcript within 45 days of the date of the deposition.

Plaintiffs are expected to respond to this motion regarding whether the documents at issue should remain under seal once the Parties have submitted their proposed confidentiality designations for that deposition transcript.

I	Dated: September 25, 2023	Respectfully Submitted,
